Dear Both,

Thank you for taking the time to meet with us yesterday evening. I think you will agree it was a very positive meeting which gave us the opportunity to reaffirm to you our support for MAGOR. It was useful to be able share the rationale that influenced our decision around the most recent review of grant applications.

In the interest of collaborative working we were pleased that you thought our suggestion yesterday, of having a community council representative on your group, was a good idea. Thank you therefore Laurence, for sending a formal request to that effect so promptly. We do hope that we will be able to appoint a representative at our next ordinary meeting.

During our discussions, we suggested that recent posts on your Website/Facebook and associated sharing could be amended to portray the true spirit of us working collaboratively for the benefit of our community. We need residents to understand and be assured that Magor with Undy Community Council continues to fully support MAGOR's endeavours to deliver the Walkway station.

We continue to welcome you to our monthly ordinary meetings where you can utilise the public open forum time to give both councillors and residents an update on your latest news. We will also as agreed yesterday, offer you the opportunity to come along to a dedicated meeting to make a presentation to councillors affording plenty of time for discussions and questions.

As reiterated during our meeting yesterday we very much welcome the opportunity to work closer with you for the benefit of the wider community and we do hope that you will be able to get this positive message out soon via your social media outlets.

Again can we express our sincere thanks to you for giving up your time and coming along to chat with us informally, and we will be in touch with you further regarding details of our nominated representative to attend meetings of your group.

Regards

Donna James
