

Plan Summary

2018/19

Outcomes by April 2019

- Residents re-engaged and have felt consulted on the station plans
- Schools re-engaged and children spreading the 'Walkway Concept' to parents, relatives and friends
- Associated Traffic management study completed and solutions identified
- The GRIP 3 report completed
- New strap-line being used widely (Railway + Walkway = Your Way) - #railwaywalkwayyourway
- Secured the bulk of the funding for the station build from UK's New Station Fund
- Welsh Government approve the progressing of the Magor and Undy Walkway Station project
- The post-GRIP 3 development and delivery of Magor and Undy Walkway Station is within the portfolio of Transport for Wales projects
- The press and media continue to be interested in our progress
- Measurable local support and comprehension for the innovative 'Walkway Concept'
- The GRIP 4 process has been commissioned
- Basis for community management of an 'adopted' Magor and Undy Walkway Station and the Magor and Undy Community Hub is in place
- Still financially secure to maintain progress
