

Plan Summary Half Year Review

2019/20
(October)

Outcomes by April 2020

- Associated Traffic management study completed and solutions identified
- M4 Relief Road Commission recommend Magor & Undy Walkway approved by Welsh Government
- Welsh Government approve the progressing of the Magor and Undy Walkway Station project within the Mainline studies
- The GRIP 3 report completed
- The post-GRIP 3 development and delivery of Magor and Undy Walkway Station is within the portfolio of Transport for Wales projects
- Secured the bulk of the funding for the station build from UK's New Station Fund
- The press and media continue to be interested in our progress
- The GRIP 4 process has been commissioned
- Basis for community management of an 'adopted' Magor and Undy Walkway Station and the Magor and Undy Community Hub is in place
- Still financially secure to maintain progress

Railway + Walkway = Your Way
